

Please see below for this months Technical Updates
If you require clarification on anything please contact the office.

Logikal Updates.

The following updates have been added to the Logikal pricing program this month, so please ensure you update your software for the changes to take place.

- **KAS538-KTA The Key Turn Activated lock is now on Logikal. See June 2019 Bulletin for details.**
- **Slimline Profile KAS7321 is now available in Residential Door**

Key Turn Activated Lock. Does not require a turning handle, lock/latch can be retracted with cylinder.

Manual Page Updates.

The following manual pages have been updated. Please download the updated pages [here](#) for inclusion into your manuals or download the full manuals from [here](#).
